

Boris Dzeboev

Education:

North Ossetian State University named after K. Khetagurov, Faculty of Mathematics, 2008.

Foreign Languages:

English.

Degrees:

Ph.D. in physics and mathematics, specialty “Geophysics, geophysical methods of mineral exploration”, IPE RAS, (2014).

State Awards:

- Award of the Head of the Republic of North Ossetia-Alania in the field of science and technology among secondary school students, young scientists and specialists (2010);
- Diploma of Honor of the Ministry of Architecture and Construction Policy of North Ossetia-Alania (2012).

Main Scientific Results:

- Participation in the seismic zoning of areas of cities and towns of the Republic of North Ossetia-Alania (2009–2012);
- Recognition of sites of possible occurrence of strong earthquakes in various seismic regions of the globe (2012–2014).

Scientific Interests:

- Development of algorithms for processing and analysis of geophysical data;
- Study of natural hazards and technogenic geological processes of mountain areas. Seismic hazard and risk;

Research and Management:

- Intern-researcher, junior researcher, researcher, Center for Geophysical Research of Vladikavkaz Scientific Center of RAS and Republic of North Ossetia-Alania (2007–p.t.);
- Member of the Council of Young Scientists of the Presidium of Vladikavkaz Scientific Center of the Russian Academy of Sciences and the Government of the Republic of North Ossetia-Alania (2011–p.t.);
- Member of the organizing committee of the II and III International scientific and practical conference “Hazardous Natural and Technogenic Geological Processes on Mountain and Foothill Areas of the North Caucasus” (Vladikavkaz, 2010, 2012), III, IV and V Caucasus International School-Seminar of Young Scientists "Seismic Hazard. Earthquake Risk Management in the Caucasus "(Vladikavkaz, 2009, 2011, 2013), I

International Conference of Young Scientists “Modern Problems of Geophysics, Engineering Seismology and Earthquake Engineering ”, dedicated to 70th anniversary of NAS RA (Armenia, 2013).

Publications:

Author of 8 papers published in international and Russian scientific peer-reviewed journals.
